**Dear RWD #7 Members:**

After a lengthy study conducted prior to the November Board Meeting, a rate increase was voted on and approved to take effect on your next billing cycle. This increase was designed to cover the expenses of the district and infrastructure growth. Upgrades to an aging infrastructure are always necessary to keep up with demand, growth, and accuracy to ensure that we continue providing the best service possible for our customers. Thank you kindly for your understanding and we hope you have a great year.
